

P3/4 Rosneath Primary Home Learning Grid

Below are some suggestions for home learning for your child. Please also check your child's seesaw for other updates.

Maths/Numeracy Tasks	Literacy Tasks	Health and Wellbeing Tasks	Topic/other Tasks
Write the numbers 0 – 9 on pieces of paper. Turn them over and play the Place Value game. Score one point if you make the biggest or smallest number.	Write a letter introducing yourself to a new penfriend. Some ideas to include could be :- you and your family, your likes and dislikes, activities and hobbies.	Do some good deeds, either at home or in the village, and make a list. Can you do a good deed every day?	Can you make a model Viking longboat using recyclable materials?
Ask an adult for a recipe. Can you double or half all the quantities?	Write an acrostic poem based on A U T U M N	Create an exercise programme for the week that has 15 minutes of exercise every day. Think about star jumps, sprints, balancing on either foot, mountain climbers, press ups, step ups.	Design a poster that will encourage people to take more care of where they live.
Roll a dice twice and make a 2 digit number. Roll the dice twice again to make a second digit number and add them together. Do the same again, this time make it a subtraction sum. Extension – Can you do this with 3 digit numbers?	Get an adult to write down your address, including your postcode. Practise writing it out and learn it.	Discuss people you show respect to and why.	Make your own bed and pick up 5 things and put them back where they belong.
