

	Things I am learning to do before I start school	When you can do this draw a happy face
	I can dress myself, pulling a zip up and down and doing up my buttons.	
	I can put on my shoes.	
	I can listen and follow a simple instruction.	
	I can tidy my room.	
	I can hold a pencil and follow a curving line.	
	I can use scissors safely.	
	I can wash my hands.	
	I can go to and use the toilet by myself.	
	I can learn and repeat/sing my favourite rhyming song.	
	I can recognise and write my first name.	
	I can count to ten and recognise the numbers.	
	I can listen to the sounds of the alphabet and play I spy.	
	What else can you do?
